<https://www.tebayservices.com/caravan-park/>

How much does it cost?

£27 which includes a **£3 discount voucher** for the kitchen and shops at all of our motorway services. This includes electric hook up, water, access to the toilet & shower block & chemical disposal.

How do I know where to park?

On arrival there are signs explaining how and where to pitch your caravan or motorhome. Please follow these and pick up a site map at the barrier. The site map has all the information you need on how to pitch and what to do in an emergency.

What if the park is full?

If you try to book online and it says there are no pitches available, **please use the services car parks & pay there**. The park may look empty but people who have pre-booked can arrive at any time and we need to ensure a space is available for them.

How do I access the site?

If you are travelling north on the M6, **exit on the northbound slip road** and take the first left following signs for 'Caravan Park'.

If you are traveling south on the M6, **exit on the southbound slip road** and take the first left following signs for 'Hotel'. On the service road, turn left and you will pass the Westmorland Hotel and take a right turn following signs for 'Caravan Park'.

Are there toilets & showers at the site?

Yes we have toilets and showers on site. They regularly cleaned once per day.

How many pitches are there?

We have 34 pitches.

Are there electric hook-ups?

All our pitches have their own electric hook-up.

Is there chemical disposal at the site?

Yes, for both caravans and motorhomes.

Are there laundry facilities at the site?

We **do not** have any laundry facilities at our site.

Do you sell gas?

We **do not** sell gas at our site.

What if I need help?

The park is unmanned. However, there are contact telephone numbers displayed outside the main building and on the site map. However, this will only be for advice over the phone. **It is unlikely anyone will be able to come to the park to assist you.**

The emergency phone will connect you to the Westmorland Hotel.

What should we do in the event of an Emergency e.g. Fire or Health?

As the site is not manned, customers should **call the Fire Brigade either on their mobile, or on the Emergency Phone** situated by the facilities block at the Caravan Park – as per the instructions on the map (at park entrance).

There is a defibrillator at Tebay Services, in the main building – ask a colleague.
